Re: Docket Number: 2004-281-S – Petition of Carolina Water Service, Inc. requesting approval of an agreement with the Berkeley-Charleston-Dorchester Council of Governments for bulk service collection from the King's Grant and the Teal on the Ashley sewage collection facilities or alternatively to upgrade the sewage collection facilities

Dear Mr. Lewis:

On December 22, 2004, Mr. David Butler requested a signed agreement between Carolina Water Service, Inc. and the Berkeley-Charleston-Dorchester Council of Governments in the above-referenced docket. The application included an unsigned contract. To date, we have not received the signed contract. If the Docketing Department does not receive the signed contract, or a letter indicating how you wish to proceed in this matter, within thirty (30) days of the date of this letter, we will administratively close the docket.

Your attention to this matter will be appreciated.

Sincerely,

A handwritten signature in cursive script, reading "Jocelyn Boyd".
